Complete Protection for Your Home On the Road

Mechanical Breakdown Protection for Towable Recreational Vehicles New and Pre-Owned

EXCLUSIONARY COVERAGE

The Most Complete Coverage to Protect Your New Vehicle

WHAT IS EXCLUSIONARY COVERAGE?

It is the best repair coverage beyond the factory warranty that you can get. It's called Exclusionary because it is easier to list what is not covered- **excluded** - than to list *everything that is covered*.

- You avoid disruptions to your personal budget when an unexpected covered repair occurs.
- You can finance the cost of the contract in your monthly payment for even more budget control.
- Substitute transportation keeps you with an uninterrupted way of getting around when you have a qualified repair.
- Your service contract is transferable and adds value to your vehicle should you sell to a new owner.

SOME EXCLUSIONS What is not covered?

- **Routine maintenance items** such as: oil, coolant, fluids, refrigerant and others.
- **Items that occasionally need replacement** such as: battery and cables, lights and bulbs, tires, brake pads, brake drums, brake shoes, exhaust system, shock absorbers, and strut insert cartridges.
- **Appearance concerns and exterior items** such as: bright metal, vinyl, wheel covers, ornaments, and paint.
- **Interior items** such as: upholstery, buttons, carpet, door and window handles
